PHIL NEAL

WELCOME to aiming to give the 1991. Today we look forward to a new year full of hope and expectation. The work we have put in so far this season has laid a solid foundation on which we can be looking to build between now and May when I am

aiming to give the supporters plenty to cheer about.

I hope you have had a merry Christmas and, as I write these notes in advance of the holiday games, I hope we have had a happy Christmas on the field as well.

After going so well

for so long, I have to say it was very disappointing to leave 1990 behind still upset by our exit from the Leyland DAF Cup. It is a competition I have always held in high regard since it gives clubs like ourselves a great chance of getting to Wembley. But that's gone now for this season, unfortunately. On the plus side, however, we still have the FA Cup to look forward to and our game against Barrow next week promises to be a very interesting one indeed.

But today is the day for concentrating on league matters and welcoming our visitors from Bournemouth.

In long-serving manager Harry Redknapp they have a man brought up in the West Ham school, which I have always admired. I'm anticipating a good footballing game today.

And how better to start the new year than with three points.

An update of today's opposition

AFC BOURNEMOUTH

This New Year's Day afternoon we extend a warm welcome to the players, officials and supporters of AFC Bournemouth. Doubtless the Cherries and their popular manager Harry Redknapp were glad to see the back of 1990 even though the side have finished the year playing consistently well and are clearly one of the promotion contenders for the second half of the season.

The club began 1990 in mid-table in the second division but suffered a disastrous run-in to the season, winning only one of the last 16 league games and losing 11 of them. In the last game of the season Leeds United won 1-0 at Dean Court to earn promotion and consign the Cherries to division three and the town was ransacked over the Bank Holiday by hooligans.

Over the summer Redknapp was badly injured in a mini-bus accident in Italy during the World Cup while the club's general manager Brian Tiler was tragically killed.

After an indifferent start to life back in division three, winning only two of their opening ten league games, Bournemouth put together a run of consistent

fact file							
Season	Div.	Pos.	Lge Cup	FA Cup	League Most Apps	Top Scorer	
1985-86	3	15th	2	3	Newsom 46, O'Driscoll 46, Clarke 46	Clarke 26	
1986-87	3	1st	1	2	Peyton 46, Savage 46, O'Driscoll 46	Richards 12

results and a 1-0 home win over Swansea sent them into the Christmas period with a run of five wins and four draws in their last nine games. The run coincided with Redknapp's return after convalescence.

There have been one or two changes to the side this season with Barnet goalkeeper Peter Guthrie, Charlton striker Andy Jones and Newcastle midfielder Wayne Fereday moving to Dean Court. Highly-rated Gavin Peacock went to St. James Park in the move which saw Bournemouth collect £150,000 plus Fereday, while experienced striker Trevor Aylott joined Birmingham.

Bournemouth have a reliance on the goal-scoring prowess of former Watford, AC Milan and England striker Luther Blissett, top scorer last season and among the goals so far this term. Blissett, who moved to Italy in a reported £1 million transfer in June 1983 came

back to Vicarage Road in August 1984. He moved to Dean Court in November 1988 and has proved an astute signing. The Cherries will be hoping that Jones rediscovered the form which saw him score 61 goals in 112 league and cup games for Port Vale after joining the club from Rhyl, to provide the club with a deadly strike force.

Hampered by injury to defensive stalwart John Williams, out all season with an Achilles tendon problem, the Cherries defence has nevertheless been in impressive form with ex-Manchester City player Kevin Bond, the captain, and former Southampton, Northwich and Weymouth centre-half Shaun Teale in dominant form. Influential midfielder Shaun Brooks has returned after injury to bolster a side in which teenager Jamie Redknapp, son of the manager, is rated as one of the hottest properties around.

With a talented side full of experienced players and one or two youngsters emerging through the ranks, Bournemouth have the quality to emerge from the pack and establish themselves in the promotion race in the next few months and are sure to provide entertaining and testing opponents this afternoon.

Next Saturday Bournemouth are in FA Cup third round action after earlier wins over Gillingham and Hayes. In the Rumbelows Cup they went out 1-2 on aggregate to Millwall in the second round after a 2-1 aggregate win over Birmingham in the first round.

MOVING THE GOALPOSTS IS NOT THE ANSWER

Moving the goalposts both literally and figuratively to compensate for a perceived lack of goals is missing the point when more subtle adjustments to the laws and the structure of the game can have the desired effect - that is to encourage attacking play, accentuate the positive and so generate more goal scoring opportunities.

It is surely no coincidence that following the change this season in the off side law and the stricter punishment of the cynical foul that strikers have made full use of their new found opportunities and that goalscoring is up in every single division of the Barclays League and showing an overall increase of 4 per cent.

Likewise, the introduction in 1981-82 by The Football League of three points for a win continues to pay dividends in attacking football and increased spectator interest with consistently more goals being scored in every season since the change. The Barclays League bulletin has highlighted these figures in the past but it is worth pointing out again, in a week when media attention was focussed on the subject, that in the nine years since three points replaced two points for a win, and the emphasis was shifted firmly to winning games, that over 2,700 more goals have been scored compared to the precious nine years. The figures are reproduced below.

TWO POINTS FOR A WIN

1972/73	- 5,040
1973/74	- 4,937
1974/75	- 5,083

IN CONVERSATION

A look at some of the great soccer stars

If Bolton are to progress further in the F.A. Cup, someone has first to beat Barrow's last line of defence, Peter McDonnell.

If Peter has any weaknesses Bolton boss Phil Neal should know all about them. After just one appearance 'under the bar' for Bury, Peter was snapped up for £25,000 by Bob Paisley and he became under-study to Ray Clemence at Liverpool.

"Phil came about two months after me," Peter revealed, "and we changed next to each other in the dressing room for four years."

Whilst Phil carried on to make 600 appearances at Anfield Peter never made one — yet he's the proud owner of a 1976 U.E.F.A. Cup winners medal and a 1977 European Cup winners medal. He explained "I was in the 16 man squad on both occasions."

Peter remembers a quirk of injuries enhancing Phil's first team opportunity and making his debut against Everton. "He's a great bloke and it's ironic we should be playing Bolton." Peter enthused.

Looking forward to that January date he reckons Barrow can't lose, "Bolton are the fa-

vourites," he said, "and they do play football which gives us a chance. Burnden Park is a big pitch and a Bolton off day could be Barrow's good day. We will walk away at the end of the day with our heads held high. Wanderers have a lot of lads who have been around for quite a while and they are no mugs."

The seasoned campaigner was planning to take a personal check against Cambridge but a rearranged game against Macclesfield prevented that. "I may have frightened myself to death," he joked.

Peter McDonnell has had spells in the States with Dallas, at Oldham Athletic where he made

200 appearances, when Jimmy Frizzell was in charge and in Hong Kong before returning to England to settle in Kendal.

The positive thinking keeper revealed that he has a couple of offers to stay in the football League but considered his wife and family and joined Barrow. "It was a conscious decision," he stated.

Nowadays he is employed at James Cropper Ltd., a paper mill at Burneside just outside Kendal. Peter admitted that the Barrow lads have very little League experience, "but they are very experienced in non-league football and at this level there are more people who want to go upward than come down," he said.

Still remembering his days at Anfield, Peter said, "It's an obvious wrench to leave a club like Liverpool but at some stage you have to realise that first team football is essential."

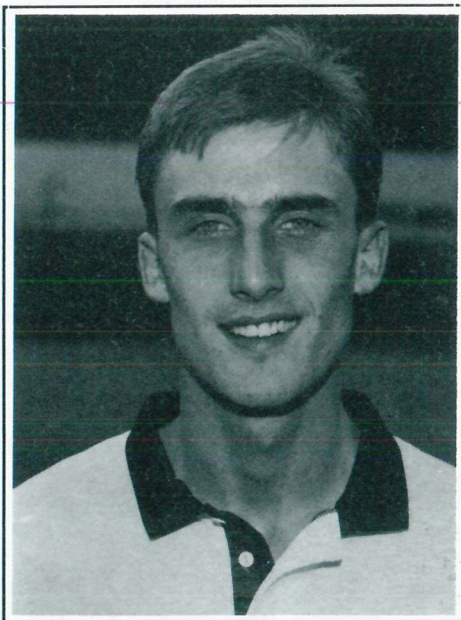

In conclusion Peter referred to his old dressing room colleague, "I hope to have a chat with Phil after the game," he said, "It's nice to see him in management. He's genuine and there are a lot in football who aren't."

Todays New Year encounter with Bournemouth brings back memories for Mark Winstanley for it was against them at Dean Court that he made his debut for the club, "back in March 86 it was," recalled the young stylish defender who came face to face with Northern Ireland striker Colin Clarke that night, "I remember it was a tough match we went down 2-1 but I thought I did reasonably well," he stated. Mark went on to face both Wigan and Blackpool before the season ended but it wasn't until the end of the 1987-88 season that he finally secured a permanent spot in the side.

Now very much one of Phil Neal's Lynch pins in the team Mark has progressed so much that first division clubs have shown a keen interest in him but as ambitious as ever Mark would like nothing better to play at a higher level with the Wanderers. "That's right, Bolton's a smashing club and we've a great set-up, the team has a good balanced look about it and the team spirit is excellent, so I would like nothing better than to climb the division with the club."

Moving onto this season when Mark has had a number of partners in the centre of defence "Its been a bit strange trying to build a good understanding but due to injuries we have had to make changes." It was also in September when he received his first ever sending-off, "I thought

it was a harsh decision. I went for the ball conceded the penalty which I thought was justice enough but the referee took the view of the professional foul and showed me the red card."

Being out for three games was tough enough but especially so with the side struggling for results but the twenty two year old came back strongly in the side producing some outstanding performances in recent game although in Mark's mind he still doesn't think he is performing as well as last season. "I am striving for the level of consistency that I think I had in the last campaign but up to now I have not been quite as happy with my own game," he quoted.

Away from the field Mark likes to spend his time with recent bride Judith in their newly acquired home in Bolton, "We got married just before Christmas so you could say it's been a very busy period," adds Mark. They met around 2 1/2 years ago, in fact on the very night that the wanderers had secured promotion at Wrexham with Judith very much a

keen supporter down at Burnden these days.

Mark of course hails from the Newton-le-Willows area and comes from very much a sporting background, with his brother Paul being on Liverpool's books as a schoolboy. His dad, John and mum Helen have backed him well during his junior days in football with John still very much travelling up and down the country to watch him play.

His best mate in football is Julian Darby which is of no surprise to hear, because the pair of them have come through the

ranks here at Burnden virtually growing up together in football teams.

We asked Mark for his observations regarding the recent idea of extending the size of the goals, "I don't like the idea at all at the end of the day it's the skill factor that the answer," he added.

Returning to football action we asked him about any superstitions he might follow on match days, "Only two really, I always go out second and if we are on a good run I will keep to wearing the same suit but that's about all," he said.

There's no doubting about the highlight of his soccer career so far, Wembley, "It's every footballer's dream to play there and I am no exception it was fantastic plus winning the Cup as well was the icing on the cake." But looking back to the road to Wembley and the quarter final clash with Wrexham which was going the way of the Welshmen until Mark came up with the goal of the season to change the whole tie around, "The best goal I've ever scored, I was really pleased with that one," he added.

The aim now is to clinch promotion with Mark more concerned with our level of performance than worry about other sides the division. "I think we've a great chance if we keep things going we shouldn't need to fear anybody," he stated.

It's always a pleasure to meet a professional like Mark Winstanley he has put a lot into the game and now the game has a lot to offer him, hopefully he and Bolton Wanderers can march on together with a big future in front of both of them.

The reserves kept in step with the first team by extending their unbeaten run to 9 games thanks to a 1-0 win against Mansfield Town at Burnden.

Three weeks earlier the Wanderers had come from behind to win at Field Mill by 2-1 and once again Mansfield proved hard to break down.

Bolton were certainly not shot shy as in the first half alone Mike Jeffrey had four attempts dust off target. Gary Henshaws blast almost caught out Jason Peachey in the Mansfield goal but he somehow managed to turn the ball over the bar.

Kevin Rose had only one serious save to make when he got down well in a one against one situation with Paul Shaw to block the strikers effort.

The all important goal that put Bolton up with the promotion contenders came in the 76th minute. Strikers Ian Stevens and Mike Jeffrey combined well to cut through the Town defence and set up the opportunity for Darren Oliver to score with a shot from 20 yards.

Our fine away victory at Craven Cottage saw us encounter another programme priced over the £1 barrier. Traditionally Fulham have always produced a above average issue and you have to say that although it doesn't reach the heights of a couple of seasons ago it's still pretty good.

An A4 size format with 32 pages, its strength tends to be that it's not too over run with adverts relying on topical but varied articles including a good spread of the visiting side.

My personal favourites inside the programme were 'Channel 3' a good coverage of news from the Third Division and 'Deja Vu' which covered the meetings between the sides from years gone by.

Overall view of the programme, a little bit pricey at £1.20 but still a good read and well within keeping of the history of producing good programmes for the London club.

NEW YEAR RESOLUTIONS

I must say a special Happy New Year to the Bournemouth fans who have travelled up this New Years Day. I can't really think why that the fixtures this holiday period have involved such great distances. But surely something should have been done to avoid the situation.

Enough moaning and groaning, welcome everyone to 1991. Let's just hope we can start the New Year off with a win which would take us nicely into our FA Cup third round clash with Vauxhall Conference side Barrow who of course won last season's FA Trophy at Wembley beating another giant killing outfit in Leek Town. When the draw was made for the third round it was quite a surprise to get a home tie after the recent spell of having to travel away in the third round of the cup. Remember both Barnsley and Coventry, so do I. So it does make it a pleasant surprise.

Moving onto some of the New Year

resolutions made by the players which I believe to be correct but you never know. Starting off with Captain Phil Brown who after last seasons successful 'singing spot' on Kick-off would like to sing a duet with fellow singing star Paul Gascoigne, maybe a remake of that Deon Blue hit 'Geordie Sings the Blues'

Tony Philliskirk, another fellow Geordie who I know for a fact fancies himself quite a bit on the snooker table (watch out Steven Hendry) is aiming his New Years Resolution towards reaching his 50th goal for the club which his is moving ever closer to.

Dave 'the Cat' Felgate whose keeping has been tremendous this season has vowed to tone down the ties he wears on Match Days whilst Stuart Storer who re-

cently moved into the Westhoughton area is promising to knuckle down and learn some of the 'Howfin Lingo' and not organise any more of those dreadful acid house parties, well not in Westhoughton that is. Of course we could mention a lot more but to be fair most of them are unprintable so you have to be careful. The one I know for a fact that they all agree on is the resolution to achieve promotion by the end of the season and we will all support that one.

If we just have a quick look back through 1990 and it really was a very up and down year. Progressing well until mid March we spluttered very much into the end of season play-offs before going out to eventual play-off winners Notts County. With hopes shattered we re-

grouped for this season but the season began very much not to our liking until we turned the corner back I believe in mid October when we drew at Bury, the hard work slowly began to pay off and the confidence grew. Lets just hope the form of the last couple of months can be maintained.

The saddest moments of the year were undoubtedly the death of the Chairman Mr Jones who will be sadly missed by everyone at the Club, and the tragic injury to Robbie Savage who has had to finish his playing career.

All that remains now is to wish all our supporters a Happy New Year and wish for both a successful and prosperous time on and off the field starting today with a victory come quarter to five.

SIMON MARLAND

The Wanderers face Bournemouth today for the 13th time in the Football League with all the games having taken place in division three.

Indeed Bournemouth were the first team to visit Burnden Park for a third division fixture when, in August 1971, a scoreless draw resulted, the only between the clubs to date.

The following March Bolton made their first league visit to Dean Court, winning 2-1 thanks to two Roger Hunt goals, Ted MacDougall hitting his 40th goal of the season for the home side.

During 1972-73 both clubs were in contention for promotion to division two. At Burnden two John Byrom goals and an own goal by Mel Machin gave Bolton a 3-0 win, whilst on the South Coast Phil

Paul Jones' header goes into the net off Mel Machin in August 1972 during Bolton's 3-0 win.

boyer and Micky Cavescored the goals that earned the Cherries a 2-0 win.

Bolton won promotion that term and it wasn't until November 1983 that the teams faced each other once again. Trevor Morgan, later to play for the Wanderers, fired Bournemouth into a two goal half time lead at Dean Court but Jeff Chandler and Steve Thompson, with his first league goal, earned Bolton a point.

Bournemouth recorded their first success at Burnden in April 1984 when a Billy Rafferty goal nine minutes from

time settled the issue. league debut in this encounter.

In 1984-85 each club had home success, Bolton coming from behind to win 2-1 at Burnden but going down 4-0 away.

It was a similar story the following term, a Steve Thompson goal dividing the teams at Burnden in November 1985 but Bournemouth securing victory at home. George Oghani gave the Wanderers a 5th minute lead before Colin Clarke struck twice. Bolton had the opportunity to win a point seven minutes from time but Oghani saw his penalty kick saved. Mark Winstanley made his

Our paths last crossed during 1986-87 when Bournemouth completed the double. They come from behind to cancel out a Tony Caldwell goal at Dean Court through a Robbie Savage penalty and a goal from Paul Morrell ten minutes from time. At Burnden Trevor Aylott hit a 90th minute winner.

Walkden born midfielder Brian Smith came through Bolton's junior ranks and represented England at youth level.

He made his league debut in a 3-1 win at York City when 19 years old in October 1974 and crowned his home debut a week later with a goal in a 2-0 win over Nottingham Forest.

Smith spent much of his time at Burnden as understudy to Peter Thompson for the number 11 shirt and in October 1977 went on loan to Bradford City where he made 8 appearances.

He returned to Burnden and replaced Ray Train in the Wanderers First Division side having his best term during 1978/79. His final appearance for Bolton was as substitute in a 3-1 home defeat by Tottenham in May 1979 and in August of that year he moved to Blackpool for £50,000.

BRIAN SMITH

After only 18 appearances for the Seasiders he moved to the South Coast and to Bournemouth where he made his debut against Stockport County in January 1981. His first goal for the Club came in a 1-0 win at Northampton later that month.

He went on to make 40 league appearances for Bournemouth before retiring from league football.

1933/34 SEASON

Despite relegation a profit of £2173 was made and the club announced that an open cheque book was available to sign players but there was a problem in tempting them to join an second division outfit.

The opening game of the season was a 4-2 reverse at West Ham. Only 2 players remained from the 1923 cup final sides Alex Finney for the Wanderers, who were two down in 8 minutes, and Willie Watson for West Ham who were grateful to see Willie McKay miss a penalty.

For the first home game, Plymouth, who were managed by old Wanderer Bob Jack, make their first visit to the town. Bolton won the game 2-0 but were brought back down to earth on Bank Holiday Monday when Grimsby won 4-0 at Burnden. Bolton then visited Manchester United, who had spent thousands on Scottish players, winning 5-1 with the Scottish selectors viewing Willie Cook and Willie McKay.

After being two down at home to Brentford the Wanderers eventually ran out 3-2 winners and went to the top of the second division after a 1-0 win over Oldham Athletic.

£2400 was spent on bringing winger Kenny Cameron from Middles-

brought and he scored on his debut in a 1-1 draw at Preston. Further signings were those of Jim Winning from Canada and Jim Cochraine from South Africa although neither got beyond the auspices of the central league.

Only one win in the next six games culminated in a 5-1 reverse at Bradford City where the Yorkshiremen scored three first half goals in a four minute spell. The following week league leaders Port Vale were defeated 3-0 at Burnden thanks to a Jack Milsom hat trick his last goal being a penalty.

Early December saw further activity in the transfer market with £3500

going to Notts County for the services of George T. Taylor. He made his debut for the club in a 2-1 home win over Swansea but the next two games proved to be a disaster for the Wanderers and in the final analysis were to cost the club dear.

Firstly a visit to bottom club Millwall ended in a 2-1 defeat with their winning goal coming in the final minute. A week later next to bottom, side Lincoln City came to Burnden and won by the same score.

a slight improvement in form over Christmas lifted the club to second place. A 5-1 home win over West Ham United, including four goals from Milsom, saw out the year in style.

Unfortunately league form took a turn for the worse during the early part of 1934 as the club became involved in an FA Cup run. Halifax and

Brighton were accounted for in the first two hurdles then 54912 saw first division Liverpool beaten 3-0 at Anfield. Interest in the competition came to an end when Portsmouth won a sixth round tie at Burnden by the same score before 52181.

The best league game of the season was 27395 for the visit of Preston which ended in a 2-0 win for the visitors. GT Taylor missed a penalty during this game to become the third different Wanderer in successive games to miss from the spot. Harry Goslin against Burnley and Jack Milsom against Oldham, being the other culprits.

After the cup defeat by Portsmouth the Wanderers played out their final dozen league games unbeaten. Five wins and seven draws were not enough to see the club return to the top flight after just one seasons absence. A settled side con-

tributed to the consistent run in but the services of Willie McKay were lost during March, after a number of transfer requests, he joined Manchester United.

Preston North End and Grimsby Town were promoted with the Wanderers just one point behind in third spot leaving the club to ponder what might have been.

There was some success at the end of the campaign however when the Lancashire Cup was lifted with a 4-2 win over Oldham Athletic at Maine Road.

HELPING THE GAME

A fine new stand - one of the many initiatives supported by Trust funds.

The Football Trust 1990 has been created to help the game at all levels and to assist clubs meet the requirements of Lord Justice Taylor's Final Report.

Safety and comfort for all spectators is the primary objective and substantial funds have been made available for the provision of seating at Football League grounds. At the same time the Trust's commitment to family and community initiatives will continue with the provision of more family enclosures, better toilet facilities, covered accommodation, artificial pitches for local use and the development of women's and junior football particularly through community programmes, plus a wide range of policing and crowd control measures.

Each year The Trust expects to receive £20 million from the reduction in Pool Betting Duty plus the £10 million continuing contribution from the Spotting-the-Ball competition organised by Littlewoods, Vernons and Zettors. This money will be invested in projects which benefit football throughout the United Kingdom.
